

AFFILIATED CLUBS

2.7

- 1 The management of Orienteering in Australia is effected at three levels:
 - National - Orienteering Australia Inc
 - State/Territory - State/Territory associations affiliated with Orienteering Australia. The Northern Territory is currently included within Orienteering Association of South Australia, but it could be affiliated directly with Orienteering Australia.
 - Club – Clubs affiliated with State/Territory associations. The clubs are also recognized officially by Orienteering Australia, for management and competition purposes. Membership of clubs is not limited by geographical boundaries. Membership of more than one club is permitted; however, please see the Competition Rules (Operational Manual 2nd Ed Leaflet 2.1 regarding any restrictions on club representation.

- 2 A file of official Australian clubs, plus codes for State/Territory teams, National teams, official New Zealand clubs and nations affiliated with the IOF, as an Excel spreadsheet is available for download. This file has the approved format for clubs when using OE/MT/OS software. The file may be accessed under the heading Club Archive at <http://www.orienteeing.asn.au/technical/SPORTidentInfo/> .
